II.) CT – Scanners

Item/Qty	Article description	Price per pc.	Image
II.01 J 1 PC	computertomograph (CT), producer: Philips, type: Tomoscan LX, year of produce 1992 complete CT unit with all appurtenances, The unit is still mounted and can be test at working- location. Good working condition. The price does not include any costs for dismantling, packing and transport	20.000,00€	
II02m 1 PC	Computertomograph SIEMENS Type: AR. HP SPIRALE Producer: Siemens Equipment type: Somatom AR.HP SPIRALE Category: CT scanners Condition: Good Year of construction: 1995 Country of origin: German clinic Price: Upon request Availability: Immediately Further information: we offer Siemens Computertomography System Somatom AR.HP "SPIRALE" 40cm length / x-ray tube Rotanx with ~90kscansec / Software VB41 A / Power Distribution Unit PDS 400 / Host SMI 5 Computer / User Console / Monitor / patient table / CD-Rom drive / Operating Software VD.10E (y2k) / 2x hard disk for Software & pictures / Standard Software options / all necessary cable & manuals are included . optical & technical good condition / OEM full service contract until de-installation	Price upon request	
II03m 1 PC	Computertomograph SIEMENS Somatom Esprit Producer: Siemens Equipment type: Somatom Esprit	Price upon request	

Euromid International Group

	Condition: Very good Year of construction: 2001 Price: <i>Upon request</i> Availability: Immeditly Tube : THA DURA 181, Option MPR,MIP,3D, CTA,Care,Bolus,Dicom ---		
II04m 1 PC	Computertomograph SIEMENS Somatom Plus Producer: Siemens Equipment type: Somatom Plus Category: CT scanners Condition: Good Year of construction: 1994 Price: <i>Upon request</i> Availability: immediatly Further information: Osteo CT,3D-Display,Dynamic Plus, Spiral-CT none.	Price upon request	
II05m 1 PC	Computertomograph SIEMENS Somatom Plus 4 Producer: Siemens Equipment type: Somatom Plus 4 Category: CT scanners Condition: Good Year of construction: 1995 Country of origin: - Price: <i>Upon request</i> Availability: immediatly Further information: Spiral-CT, Software: Osteo-CT, Angio-CT, 3D,	Price upon request	
II06m	Computertomograph SIEMENS Somatom Plus 4 Expert
